

# 2021 Jaime Padron Scholarship Award Winner

To whom it may concern,

Thank you for the honor of being chosen as a scholarship recipient. I am extremely grateful for the financial assistance it will provide. I will work tirelessly to prove the decision of selecting me was a good use of resources.

I will be attending Angelo State University this fall where I will be part of the cheer team and will be working to earn a degree in Agribusiness. I am going in as a sophomore with 42 hours. I will be 18 hours shy of being classified as a junior. This semester I will be taking 17 hours. I intend to graduate in 3-4 years with my masters. While I am in school I will work to obtain my real estate license in order to become a farm and ranch land real estate agent upon graduation.

This coming school year I will be working at the West Texas Boys Ranch as a math tutor. I will be nannying for an amazing family with two children. I will also continue giving private horse riding lessons to my lesson kids.

Again, thank you for this honor and blessing.

Sincerely,  
Susannah Mann
