

# 2016 Jaime Padron Scholarship Award Winner

Hello Officer Bylsma,

I will be furthering my education at Angelo State University. I plan on majoring in Biology with a minor in Chemistry with the hopes of becoming a pediatric physicians assistant. After I complete school, I hope to find a clinic where I can begin helping children. Just as my father did, I have a desire to help those who cannot help themselves. Growing up I watched my dad sacrifice his well-being for the benefit of others. Being a police officer often meant he did not get the gratitude that he greatly deserved but that didn't change his desire to serve and I hope to live up to his service as I pursue my career.

I would like to thank you as well as the other members of the Blue Knights for selecting me for this honor. I would also like to extend my gratitude to the Padron family for allowing students the opportunity to come closer to a college education so that they may serve and honor their community just as Jaime did. Thank you for your service to our wonderful town.

God Bless,  
Caisi Dornhecker
