

2023 Jaime Padron Scholarship Award Winner

Dear Mr. Bylsma,

Thank you for selecting me as a recipient of Mr. Jaime Padron's Memorial Scholarship. This scholarship will allow me to start my college education without any student loans. I greatly appreciate your consideration of me for this honor. Mr. Padron saved many lives and will be remembered as a hero for his actions in his career. Thank you again for selecting me for the Jaime Padron Memorial Scholarship. I plan to attend Western Texas College in the Fall to play volleyball for my first two years. I, then, plan to transfer to West Texas A&M where I'll finish my degree in Mechanical Engineering. Upon finishing my bachelors degree, I plan to work for a Biomedical Engineering degree in the masters program at Baylor University. After completing school, I'd like to become a Prosthetic Engineer and work to help disabled Veterans.

Thank you again, Brooke Lehr
